Chairman Dixon reconvened the Animal Control Board at 3:30 PM to continue deliberations of an appeal by Sabrina Parrish of the Sheriff's Department's determination that her dog Casper is a dangerous dog.

County Attorney Mike Cox updated the Board and explained that in mid-November the Board voted to delay action for 30 days to provide an opportunity for Ms. Parrish to have Casper neutered and to allow her to relocate him within 60 days. Mr. Cox reported that Casper has been neutered and proof has been provided, however she has not relocated him at this time.

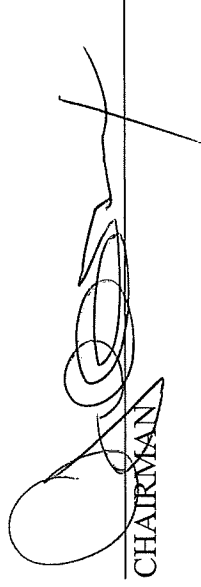

Commissioner Gary White asked Sheriff Randy Cartwright if there have been any further complaints concerning this dog. Sheriff Cartwright responded that there have not been any further complaints. He noted that when Ms. Parrish takes the dog outside, she is taking additional steps to ensure the dog does not get off of his leash.

Motion was made by Gary White, seconded by Joe Winslow to deny the Sheriff's Department's determination that Casper is a dangerous dog, and if there are further problems with Casper they will be addressed at that time. The motion carried 6-0.

The Animal Control Board was adjourned. The Board briefly discussed the proposed restructure of the Animal Control Board. This has previously been referred to the Governance Committee for review.

The meeting was adjourned at 3:40 PM.
