The work session was called to order at 2:08 PM by Chairman Joe Winslow.

County Manager Rodney Bunch and Finance Officer Sheri Small reviewed several departmental budget requests in the General Fund. Ms. Small stated that there are still many unknowns in our expenditures, which include liability insurance, Workman's Comp figures, health insurance rate, retirement rate, indirect costs, schools, and College of the Albemarle. She went on to say that we do not have a good valuation yet and therefore it is hard to project our revenues. She said the majority of the departments have flat budgets in which the expenditures stay basically the same and the only increase or decrease is usually due to personnel and benefits.

After further discussion regarding the proposed budget, Chairman Winslow asked for a motion to adjourn the meeting.

Motion was made by Cecil Perry, seconded by Jeff Dixon to adjourn the meeting.  
The motion carried and the meeting was adjourned at 3:45 PM.
