Applications for Preliminary Plat review shall be submitted to the Planning & Inspections Department located at 206 E Main Street (1st floor of the Courthouse). Submissions shall include a completed application along with 20 sets of plans (folded to 9" x 12"). An \$80 per lot submittal fee is required for all subdivisions that received Sketch Plan approval prior to April 1, 2006. Incomplete applications and/or rolled plans will not be accepted for review.

Preliminary Plats will be reviewed by the Technical Review Committee prior to being scheduled on a Planning Commission agenda. The Technical Review Committee meets at 10:00 a.m. on the first Wednesday of every month. In order to allow adequate time for TRC members to review applications, submittals must be made at least twenty-one (21) days prior to the regularly scheduled TRC meeting. Applicants will be notified when their site plan is scheduled for review and are required to attend the TRC meeting in order to answer any questions regarding their plan.

The following checklist must be completed and submitted with this application.
